Rip Cut:	30"
Diagonal Cut:	22"
Depth of Cut:	1.5"
Size:	46.3"L x 19.8"W x 57.5"H
Weight:	121.3 lbs.

*The QEP 830Z 30 Inch Professional Bridge Saw is a full-featured saw that allows the user to cut large format tiles with minimal effort, less mess and more versatility. The tough 3260 RPM motor is mounted on 6 ball bearing slides for smooth and accurate cutting.*

*The 830Z offers plunge cutting capabilities for jobs that include special interior cuts in the tiles, such as the installation of electrical outlets, as well as a pivoting rail for easy miter cuts, a rip/angle cutting guide for doing faster multiple cuts, and a laser cutting guide for assisting in the accuracy of the cut. This mobile saw is easy to transport from the truck to the work site and within the work site, thanks to its two sets of wheels and extendible handle. The 30 inch saw features an extra large side extension table to support large tile and slabs or to keep extra tiles close at hand while cutting.*

*The 83230 is the first of its kind to offer a hose coupling designed right into the water tray housing, allowing for easier drainage and fill-ups using a standard garden hose. The 830Z comes complete with the new QEP 8" Black Widow™ blade, a high quality blade that is especially designed for very fast, chip- and wobble-free cutting of hard tiles such as porcelain, marble and granite.*
