

# POWER MIXER WITH PADDLE 21660

### Less mess!

Variable speed finger tip control dial prevents splashing at start up

### Durable!

Motor housing is lightweight and impact resistant

### Ergonomic!

Handle grip reduces fatigue and minimizes strain

### Powerful!

High-torque, 2-speed motor

### Heavy duty mixing!

Designed to mix thick and dense materials

## SPECIFICATIONS

Item No:	21660
Volts:	110V
Motor:	1100 Watts - 2 Speed 1 <sup>st</sup> Gear: 180-460 RPMs 2 <sup>nd</sup> Gear: 300-700 RPMs
Weight:	13lbs, 9 oz.

*This lightweight, impact resistant Power Mixer was designed with the professional installer in mind. The ergonomic handle grip helps to reduce fatigue and minimize strain, while its high torque, 2-speed motor provides maximum power and increased motor life. In addition, the RPM's are controlled by a variable speed dial, enabling the user to run the mixer at variable speeds, preventing splashing at start up. The QEP 21660 is also equipped with a male-threaded paddle that is specially designed for a complete mix of mortar, thinset, grout and other viscous materials, while minimizing user effort.*
