

iBarrier™ Disposable Sleeves

Tablets & Remotes

Keep Tablets & Remotes Virus-Free (Germ-Free, Too)!

Reduce the Risk with iBarrier™!

iBarrier disposable sleeves provide convenient easy-to-use protection with a touch-sensitive material that does not impede the operation of the tablet or remote. An adhesive strip provides a custom fit for most sized tablets and remotes. Simply insert into the sleeve, remove the adhesive strip and seal closed!

- Touch-sensitive material does not impede operation of tablet.
- Fits most sized tablets and remotes.
- Adhesive strip provides tight fit.
- FDA approved material.
- Made in USA.
- Latex free.
