Pool Clean and Prep Solution

Easy to use prep solution that quickly removes grime and mineral deposits and creates a surface that allows for maximum adhesion of Rust-Oleum Acrylic or Epoxy Pool and Fountain Paint. Turns a conventional 3 step prep and cleaning process into a single step.

- VOC Compliant Nationwide
- Makes 3 gallons of concentrate
- Odor-free
- Biodegradable
- Water-rinse to neutralize
- Safe for use around plants and grass

270384 1-GL POOL CLEAN AND PREP SOLUTION

High Build Epoxy Pool Paint

High-Build Epoxy Pool Paint is a two-part system, consisting of a base and an activator. One kit makes two-activated gallons.

- VOC Compliant Nationwide
- Designed for concrete, plaster, fiberglass, and gunite pools, spas, whirl pools, and other pool areas
- Superior protection from stains, abrasion, and pool chemicals
- Convenient one-to-one mixing eliminates the need for measuring
