

STI Solar Powered Lighted House Number

STI-30325

PRODUCT OVERVIEW

This Lighted House Number helps ensure guests, police, fire, or medical teams are able to locate your home or office quickly. The large, bright numbers are easy to read from far away, making it simple to find house numbers on dark nights. It also helps increase the speed and accuracy of deliveries.

HOW IT WORKS

The energy-efficient solar panel converts ordinary daylight into enough power to keep the Lighted House Number illuminated all night. Has a long lasting LED light and is weatherproof.

FEATURES

- Large (2.75 in.), bright numbers are visible from far away.
- Two mounting options: installation on the front lawn or to the front of a building.
- Long lasting LED light.
- Modern design compliments any style of architecture or landscaping.
- User-selectable number with up to five digits.
- Easy two minute installation.
- Weatherproof.
- Energy-efficient solar panel converts ordinary daylight into enough power to keep your Lighted House Number illuminated all night long.
- Includes two (2) rechargeable AA batteries.
- One year warranty.
