

SAFETY SPECIALTY

# M-PACT ORHD®

## SAFETY SPECIALTY HAND PROTECTION

Be prepared for everything. Originally designed for work on oil rigs and platforms, the Safety M-Pact® ORHD® is rugged enough to handle the most difficult of tasks. A rubber-molded exoskeleton integrates with a Biofoam® padded top and extended cuff for complete protection. Rubber molding extends to the fingertips for pinch point protection. The palm is double reinforced with Armortex® grip panels and Kevlar® stitching for extra durability and grip in slick conditions. High-visibility reflective material is located on the fingertips, wrist and palm.

### RUGGED PROTECTION

Top of hand Biofoam® padding with integrated rubber molded exoskeleton extending from fingertips to wrist.

### FULL PALM PROTECTION

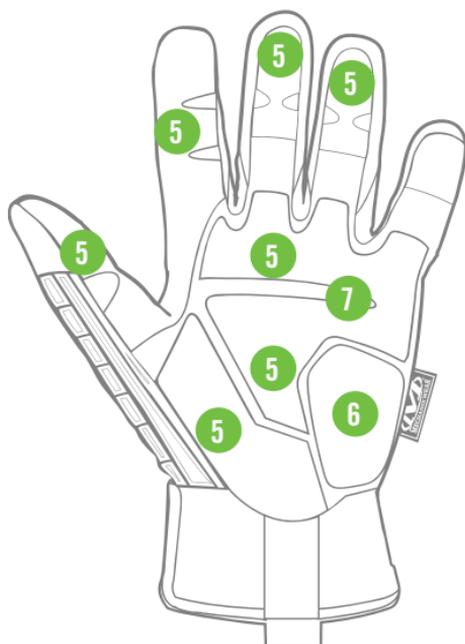

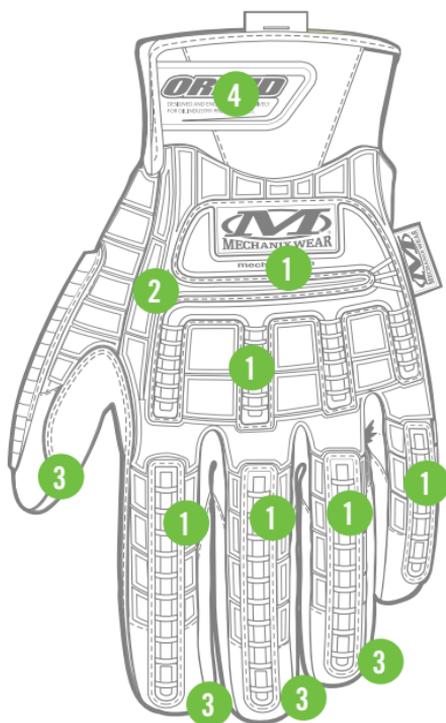

Armortex® rubberized grip and synthetic leather palm with EVA foam palm pad.
