# SUPER RADIATOR SEALER

C2016

**Non-Metallic Super Sealer's exclusive free-flowing, non-clogging formula seals larger leaks where others fail. Seals existing leaks and helps prevent leaks if added to radiator when the coolant is changed. Requires no draining or flushing. Contains a rust inhibitor to retard formation of rust or corrosion. Harmless to all metals, hoses, gaskets or any part of the cooling system.**

## APPLICATIONS:

- Out Performs the Leading Stop Leaks

**DIRECTIONS:** Water in radiator must be sufficient to cover core and tops of circulating tubes before adding sealer. Do not pour on hot radiator core. If radiator is dirty or partially clogged clean with GUNK® Super Radiator Flush or Super Heavy Duty Radiator Cleaner prior to use. 1. Remove radiator cap and start engine. 2. With engine at operating temperature and heater at highest setting. SHAKE JUG THOROUGHLY and pour contents into radiator. (Use 1/2 jug for cooling systems of less than 9 quarts). 3. Replace radiator cap and run engine at fast idle until leak stops. 4. Run engine for an additional 5 to 10 minutes to insure a complete seal. If leak reoccurs, mechanical repair may be necessary.

**STORAGE, HANDLING & DISPOSAL:** Use and dispose of product, container, residue and used antifreeze/coolant and radiator fluids in accordance with all local, state and federal laws and regulations. Where permitted, dispose of in sanitary sewer systems. Never pour onto ground or into storm or septic systems.

**DANGER:** Use extreme caution when removing radiator cap to avoid burns that can be caused by high pressure release of hot liquid or steam. See vehicle owner's manual for cap removal instructions. Wear safety goggles, protective gloves and avoid contamination of clothing.

**FIRST AID:** EYES: Flush with water for 15 minutes while lifting eyelids, and get prompt medical attention. SKIN: Wash with soap and water. If irritation persists, get prompt medical attention. INHALATION: Move to fresh air. If breathing becomes difficult, get prompt medical attention. INGESTION: DO NOT INDUCE VOMITING. Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

**KEEP AWAY FROM CHILDREN AND ANIMALS**
