

VantageBin™

By Akro-Mils

NEW!

Easily sort & store items without dividers!

The unique VantageBin holds envelopes, bags, jewel cases, photographs, and more upright for easy access, quick identification, and optimal use of storage space. With a non-slip V-groove textured interior bottom, the VantageBin is ideal for retail, material handling, and home & office storage applications.

- Advanced molded-in V-groove bottom helps keep items organized.
- Bins nest when empty to conserve storage space.
- Durable, injection-molded polypropylene construction.

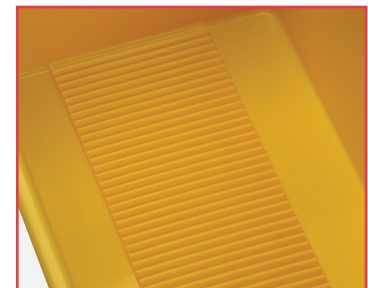

— Rolled top rim for added strength and durability

— Corner ribs prevent jamming when nested for storage or shipping

Perfect for . . .

- Photo lab and pharmacy envelopes
- Retail stores
- Parts storage and sorting
- Craft and hobby supplies

Molded-in V-grooves create non-slip surface on inside bottom
