

HON

VOLT[®]
Seating

GREAT COMFORT, GREAT STYLE, GREAT VALUE

Volt seating from The HON Company offers the complete functionality and good looks usually reserved for chairs that cost a whole lot more. Its generously proportioned seat and back cushions are friendly and welcoming to every body. And its wide range of easy-to-use adjustments puts people in control of their own customized comfort.

AFFORDABLE FUNCTIONALITY

The price makes it easy to make Volt yours. The functionality makes it easy to make Volt work for you.

PNEUMATIC LIFT

Raises or lowers the seat to fit people of all sizes.

TILT TENSION

Controls the amount of resistance felt as you lean back, accommodating a variety of tasks and body types.

TILT LOCK

Locks the chair in an upright working posture.

ADJUSTABLE-HEIGHT ARMS

Helps reduce shoulder, neck, and back strain. (OPTIONAL)

TASK STOOLS

The stylish and functional Volt task stool provides just the right complement for today's stand-up workstations or the high tables and counters found in many collaborative spaces. Features include:

- 360-degree swivel
- Pneumatic seat-height adjustment
- Adjustable foot ring

SWIVEL/TILT

Allows the chair to recline effortlessly, promoting movement and comfort throughout the workday. (MODEL H5701)

SYNCHRO-TILT

Allows seat and back to recline at different rates, supporting a more ergonomic posture. (MODEL H5703)

PRODUCTS, MATERIALS, AND FINISHES SHOWN:
