**SKU: 08-3085-80-[SIZE]**

The **Waterproof Winter Lined with Kevlar®** combines the cut resistance of Kevlar® fiber with waterproof technology. The quadruple layer system consists of an ultra warm micro fleece inner layer, a 100% waterproof membrane, an additional layer of Kevlar® fiber and a durable, form fit outer shell. High quality non slip reinforcement featured on the palm promotes strong grip and lasting performance in wet or dry conditions.

- Palm Exceeds Cut Rating Level 3 According to ANSI/ISEA 105-2005 Standard
- A Thick Soft Micro Fleece Liner Keeps Hands Warm
- Waterproof & Windproof Inner Membrane Keeps Hands Dry
- Cut-Resistant Liner Made from Kevlar® Fiber
- Durable Form Fit Outer Shell Maintains Dexterity
- Heavy Duty NON SLIP Palm Reinforcement for Grip & Durability
- Supportive Cuff with Adjustable Velcro Closure
- Terry Cloth Thumb for Wiping Away Sweat & Debris
- Available in Sizes Small through 2XL

**100% WATERPROOF**

**100% WINDPROOF**
