WINTER ARMOR

COLD WEATHER HAND PROTECTION

Cold hands make it difficult to concentrate on just about anything. With a full nylon shell, wind resistant lining and rubberized water resistant palm, our Winter Armor glove provides protection against the elements so you can focus on the job at hand. Additional features include EVA foam knuckle protection that extends through the index and middle finger, and a hook and loop closure to lock in warmth and keep the elements out.

DURABLE WARMTH

Nylon shell for cold conditions with EVA foam impact protection.

RUBBERIZED GRIP

Reinforced fingertips and palm for durable gripping power.
