Disappearing Act

Fast Evaporating Solvent Degreaser

Watch degreaser residue vanish, thanks to the fast-evaporating properties of this extra heavy-duty industrial degreaser. It removes tough oil deposits, grease and tar from moving parts and mechanical equipment – then evaporates quickly, leaving no residue.

Benefits:

- Spray on and let dry
- Excellent on tough soils
- Completely residue free

Applications:

Designed to be used when extremely fast evaporation is desired in order to avoid residue.

- Auto repair shops
- Metal fabrication
- Textiles
- Electrical services

Directions for Use:

Apply to surface by wiping or spraying. Allow adequate contact time for product to penetrate soils. Wipe away. Allow product to evaporate completely before using appliances to which it has been applied.

Note: Precautions must be observed to eliminate sources of ignition for liquid and/or vapors.
