

**PROFESSIONAL**

PROFESSIONAL

**Low Temp Effective**

**Freezer & Locker Cleaner**

A ready-to-use cleaner for light duty cleaning where normal cleaners would freeze. No rinsing is necessary; does not impart flavor or odor to food products when used as directed. USDA applicable.

**Benefits:**

- Can be used as a floor and wall cleaner for sub-freezing temperatures in federally inspected meat and poultry plants
- Ready-to-use formulation does not require mixing
- All surfactants used in the products are biodegradable

**Applications:**

- Fast food establishments
- Restaurants
- Schools
- Food processing plants
- Supermarkets

**DIRECTIONS FOR USE:**

Do not apply to freezers set below 5°F; this product, undiluted, will freeze at 0°F.

**Regular Maintenance Cleaning – Light to Medium Soils:**

Apply undiluted to freezer surfaces to be cleaned with a brush, sponge or mop or low-pressure sprayer. Remove product and soils with a clean mop, or sponge, or by use of a wet vacuum. Do not rinse or dilute product.

**Heavily Soiled Areas or Surfaces:**

Bring temperature above 32°F. Remove/cover any food. Apply undiluted to freezer surfaces to be cleaned with a brush, sponge or mop or low-pressure sprayer. Scrub, remove product and soils with clean mop or sponge. Reapply if necessary. Vacuum up excess. Allow surfaces to dry before lowering temperature.
