

ReadySpace® Storage System

Quickly create organized storage space anywhere!

- Durable white powder-coated finish creates a neat, attractive storage space in any medical or office environment
- Wall, Bench or Mobile Floor Units free up valuable workspace!

Designed for hospitals, labs and medical offices, ReadySpace is a high-quality, steel louvered rack and panel system that works with our colorful selection of AkroBins® or crystal clear InSight® Bins.

All ReadySpace panels have a clean, sleek look with a durable white, powder-coated finish. The ReadySpace Storage System is available in three options: **Wall Unit** – can be hung on a wall to maximize floor space; **Bench Unit** – for use on a desk or countertop; and a **Mobile Floor Unit** – for easy mobile or stationary storage, featuring lockable casters and optional leveling feet. Set up and installation is quick and easy!

- Create a neat, attractive storage space in any environment
- Customer-friendly appearance
- Keep supplies organized and readily available
- Utilizes valuable floor or wall space that might otherwise be wasted
- Use with **AkroBins** – available in a wide variety of sizes and colors for color coding, product protection and labeling, or **InSight Bins** to keep supplies clearly in view
- Mobile Floor Units can double as a mobile privacy wall!

ReadySpace Packages Make Organization Easy!

- Pre-configured packages are available or create your own custom system using any of our hanging bins
