Design Description

The 5.11 ATAC 6" Boot is perfect for the officer who prefers an ankle-height boot. The polished leather toe maintains a neat, clean and professional look and meets most organizational requirements for black leather boots. The nylon upper is comfortable and durable. Every boot in our line includes our trademark Shock Mitigation System™ which combines construction components to offer you the ultimate in support for high impact activity. The 5.11 Shock Mitigation System™ is lightweight with superior compression and rebound resulting in comfort, stability and optimal speed.
