

GO KITS

Be ready anywhere, anytime. First Voice® Go Kits are organized to be a low-cost and simple lifesaving first aid tool that empowers users and reduces response time. First Voice® Go Kits are visibly ready-to-run, OSHA compliant and provide easy-access pockets to grab and use to respond fast. These Go Kits are easy to refill which reduces and eliminates first aid kit in-person servicing fees! These Go Kits are a perfect tool to deploy next to an Automated External Defibrillator (AED) for addressing non-heart emergency first aid events. These Go Kits allow your organization to have a comprehensive emergency preparedness best practice program that protects and saves more lives, **making minutes matter!**

"These organized kits have been a lifesaver for our team."

- **Emergency Ready:** Tamper-evident seal system, Durable Plastic Case
Comes with Wall Mountable Carrying Handle
- **Compliant:** Meets ANSI / ISEA Z308.1
- **Efficient:** Organized and easy to refill
- **Versatility:** Suitable for public or work places, homes, and vehicles
