PRODUCT SPECIFICATION REPORT

An alcohol-based hand sanitizer that is formulated from the ground up to address the most common concerns with hand sanitizers in the market today. The thickened formula contains 70% ethyl alcohol which meets FDA requirements and helps to control many of the microorganisms that are of public health concern.

INSTANT HAND SANITIZER GEL

PROD. #3558

Hand Sanitizer

FEATURES/BENEFITS:

70% Alcohol	Kills 99.99% of germs
Residue Free	Leaves hands feeling clean
Light Scent	Does not contain a strong alcohol smell
Waterless	Fast-acting, perfect for on-the-go hygiene

APPLICATIONS:

Can be used as a supplement to regular hand washing and is particularly useful in healthcare facilities, emergency service vehicles, portable sanitation units, municipalities, police departments, funeral homes, lodgings, fire departments and daycare centers. Recommended for repeated use - no rinsing is required.
