

Complete, Confident, Compliant.

BSI-104

RTU Bowl Bright

Ready-to-use toilet bowl and urinal cleaner. Effectively removes hard water deposits and rust.

Recommended for use: toilets, urinals, stainless steel surfaces and aluminum surfaces.

DIRECTION FOR USE: Spray onto wet bowl or urinal, swish with toilet brush, sponge or cloth to create foam. Allow to soak for several minutes, brush and flush. For tough stains allow to soak for 20 minutes before rinsing.

REORDER: BSI1042, BSI1043
