

BRUNSTAG™ LIMITED RESIDENTIAL WARRANTY

PLEASE READ FULLY BEFORE INSTALLATION.

Brunstag™ appliances are engineered with precision manufacturing, durable materials, and rigorous quality standards to ensure long-lasting performance in the modern kitchen. All Brunstag™ products are warranted to the original consumer purchaser to be free from defects in materials and workmanship under normal residential use.

Brunstag™ warrants that all new Brunstag™ appliances purchased from an authorized retailer will operate as intended when properly installed and maintained according to the product instructions. If any component fails due to a manufacturing defect during the applicable warranty period, Brunstag™ will, at its sole discretion, repair or replace the defective part or product in accordance with the warranty terms outlined below.

Warranty coverage begins on the **original date of purchase or delivery and applies only to the original purchaser of the product installed in a residential setting**. Proof of purchase from an authorized retailer must be provided for all warranty claims.

Upon delivery, all products should be carefully inspected before installation. Any visible damage, defects, or missing components must be reported to Brunstag™ customer support prior to installation so that appropriate assistance may be provided.

WARRANTY COVERAGE BY PRODUCT CATEGORY

Brunstag™ appliances are covered under the following limited warranty terms:

Warranty coverage applies only to defects in materials or workmanship that occur during normal residential use and when the product has been properly installed, operated, and maintained according to the manufacturer's instructions.

WARRANTY EXCLUSIONS

This limited residential warranty does not cover damages or failures resulting from improper installation, misuse, abuse, negligence, accident, improper maintenance, alteration of the product, or failure to follow installation and care instructions provided by Brunstag™.

This warranty also excludes cosmetic damage occurring after installation, normal wear and tear, damage caused by environmental conditions, improper electrical or gas connections, or service performed by non-authorized technicians.

Products installed in commercial, industrial, or non-residential environments are not covered under this residential warranty.

Additionally, this warranty does not cover installation costs, removal or reinstallation of the product, shipping or transportation costs, or any incidental or consequential damage that may arise from product malfunction.

WARRANTY SERVICE

To obtain warranty service, please contact Brunstag™ Customer Support and provide proof of purchase along with the product model and serial number. Troubleshooting with a Brunstag™ support representative may be required before warranty service is authorized.

If the product is determined to be eligible for warranty service, Brunstag™ may arrange for repair by an authorized service provider or provide replacement parts as necessary to restore the product to proper working condition.

If a product cannot be repaired after a reasonable number of attempts, Brunstag™ may elect to replace the product or provide a refund equal to the original purchase price of the product. Products must be accessible and unobstructed at the time of service for repairs to be performed.

WARRANTY LIMITATIONS

Brunstag™ liability under this warranty is limited to the repair or replacement of defective components. In no event shall Brunstag™ be liable for incidental, indirect, or consequential damages resulting from the use or inability to use the product.

Some states do not allow the exclusion or limitation of incidental or consequential damages; therefore, certain limitations may not apply depending on local jurisdiction. This warranty provides specific legal rights, and you may also have other rights which vary from state to state.

WARRANTY REGISTRATION

Product registration is required to activate the Brunstag™ manufacturer warranty. All Brunstag™ products must be registered within 90 days of the original purchase date in order to receive warranty coverage.

To register your product and activate your warranty, please visit: **[Brunstag.com/warranty](https://www.brunstag.com/warranty)**

Failure to register the product within the required 30-day period may result in limited or denied warranty coverage. Proof of purchase from an authorized Brunstag™ retailer will be required when submitting a warranty claim.

Brunstag™ may also offer optional extended service protection plans through select retailers which may extend coverage beyond the standard manufacturer warranty period.
