6012 NitriMed Disposable Specification Sheet

PRODUCT DESCRIPTION:

Nitrile gloves contain no latex proteins and offer excellent resistance to punctures and tears. They are three times more puncture resistant than rubber and can be used to offer superior resistance to many types of chemicals. This glove is an excellent alternative for individuals who experience allergic reactions to latex. The 6012 is a premium quality powder free disposable nitrile glove that measures 6 mil in thickness and is 12 inches in length. It is a Medical Grade product and rated as a Class 1 Medical Device. Looking for the best disposable nitrile gloves? Look no further than MCR Safety!
