2 Bottle 16oz

INCLUDES  
**2**  
16 OZ  
EYEWASH  
BOTTLES

**DUAL-ACTION WASHES & NEUTRALIZES**

**THE NEUTRAFLUSH EMERGENCY EYEWASH WALL STATION** is the ideal solution for common workplace eye safety needs. With over 2,000 eye injuries occurring daily in U.S. workplaces, this station is an essential addition to any facility.

- The Neutraflush Wall Station features a modernized design with dual 16 oz bottles, delivering improved usability, extended coverage, and versatility across workplace environments.
- AEROWASH eyewash is a sterile, buffered solution formulated to deliver fast, effective irrigation in acid and alkali exposure incidents.

Meets or exceeds ANSI Z308.1-2015 and OSHA 1910.151(b) regulations.
