Jones Stephens Steel Nipple Caddy is the organized professional's choice. Our Nipple Caddies feature heavy steel construction with baked enamel finish for durability and long life. Metal push away foldover handles to allow increased access to the tray for fast time-saving work. Our 1-1/2" Nipple Caddy holds 30 nipples, 1-1/2" close through 6" in slotted sections right where you need them.

- Keep your fittings organized and ready.
