

27F/W UTILATWIN® Double Laundry Tub

It's ideal for washing pets, dirty shoes, testing science projects or as a plant station...and that's just the start. Few would dispute the value of a well-made laundry/utility tub. Since 1960 E.L. Mustee & Sons, Inc. has put more quality-built laundry/utility tubs into American homes than any other brand.

Features

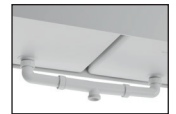

- High-strength, one-piece molded construction.
- Mustee's proprietary structural thermoplastic.
- Includes Twin-Drain Waste with stoppers.
- Recessed divider allows water to overflow into second tub.
- Large back shelf with retainer curb.
- 19-Gallon capacity per tub, extra deep 13" tubs with smooth surfaces.
- Connects to standard 1 1/2" P-Trap.
- Accommodates single or dual-handle faucets.
- Floor model includes steel legs with levelers.
- Wall model includes wall bracket, side supports and hardware.
- Mold and mildew-resistant components.
- Easy to assemble and install, White.

Sturdy, steel legs
