

Spring Retractable DEF Hose Reels

1/2", 3/4" I.D.

- Designed to aid in the dispensing of Diesel Exhaust Fluid (DEF) for late model diesel engines
- Reels constructed from industrial grade powder-coated carbon steel
- Internal fluid path parts are made from 304L stainless steel and feature FKM O-rings
- Models with hose include DEF dispensing hose with stainless steel fittings with NPT threads

Static Discharge / Grounding Reels

- Used to ground equipment operating in hazardous atmospheres
- Dissipates static electrical buildup, reducing the chances of sparking and the potential for explosion
- Reels require little mounting space for applications where space is a critical requirement
- Easily adjust spring tension – loosening two screws allows user to add or remove spring tension (except GHC3100 N)
- Made from industrial grade carbon steel or 304 stainless steel
