

## Emergency pull-wire switch

ZS 71 2Ö/1S WVD / 100 N

Article no.: 1185001 (old article no.: 71942904)

### Technical data (contd.)

**Short-circuit protection**

2 A gG fuse

**Ambient temperature**

-25 °C ... +70 °C

**Mechanical life**

> 100 000 operations

**Max. wire length**

35 m

**Note**

At 3 m distance intermediate wire supports are required. One wire thimble is provided.

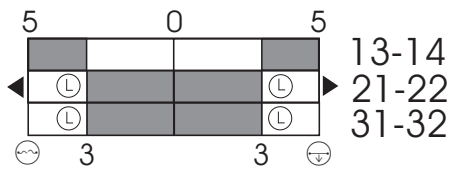

**Approvals**

**Weight**

368 g
