

1" Insulated Steel Concrete Tight Compression Connector

Part Number CMP100I

UPC 781002860143

Insulated Steel Compression Connectors are used to join EMT conduit to a box or enclosure in dry locations. These connectors are suitable for use in concrete.

Physical Characteristics

| | |
|------------|---------------------------------|
| Type | Insulated Compression Connector |
| Nut Type | Locknut |
| Style | Insulated |
| Size | 1" |
| Connection | Threadless |
| Material | Steel |
| Finish | Zinc Plated |

Packaging Details

| | |
|----------------|------|
| Standard Qty | 20 |
| Master Qty | 100 |
| Price Per | 100 |
| Package Length | 6.89 |
| Package Width | 4.53 |
| Package Height | 4.33 |
| Package Weight | .28 |

Performance Data

| | |
|--------------------------|---|
| Applications | Joins EMT Conduit to a box or enclosure |
| Special Features | Concrete Tight |
| For Use With | EMT Conduit |
| Environmental Conditions | Dry Location Only |
| Resistant to | Corrosion |

Certifications

| | |
|-------------------|----------|
| UNSPSC | 39121448 |
| RoHS Compliant | Yes |
| Industry Standard | UL |
